bers were largely from southern states. For the sake of harmony, his policy at first was to say little. But as the slavery question grew larger and Oregon was threatened with admission as a slave state, he felt that it was no time for silence. In public and privately he exerted his influence to the utmost against slavery. When the adoption of a Constitution was before the people, hi
s a valiant one. A well-educated man from Ke
that he had met no one since leaving the East
him so much of Henry Clay, and added, "He is
nd logical as Henry Clay
